EXPERIENCE

Lead Senior Financial Analyst (System Finance) **Jul 2024 - Current**
Indiana University Health *Indianapolis, IN*

- Managed and reconciled a $290M annual budget across multiple cost centers, ensuring accuracy and compliance.
- Designed and maintained complex Excel models and pro formas for expense forecasting, improving reporting efficiency.
- Advised executive leadership on financial performance by interpreting variance analysis and rollups to drive strategic decisions.
- Automated reporting workflows with pivot tables, SmartView, and custom templates, reducing manual effort.

Deputy Financial Officer (DFO) **Jul 2022 - Jul 2024**
City of Noblesville *Noblesville, IN*

- Developed and deployed the $116M+ annual budget across 24 city departments, ensuring accuracy and accountability.
- Limited non-personnel operating expense growth to <5% through cost-control strategies, enhancing fiscal sustainability.
- Directed capital budgeting consistent with the 10-year Capital Improvement Plan for strategic infrastructure investment.

Business Analyst/Senior Business Analyst (Revenue Cycle Services) **Aug 2017 - Jul 2022**
Indiana University Health *Indianapolis, IN*

- Identified multiple $100K+ revenue-saving opportunities via data analysis, directly reducing patient costs.
- Partnered with legal & compliance teams to maintain 99%+ Medicare/Medicaid compliance, mitigating regulatory risk.
- Facilitated annual financial audits with EY and on-site ER audits at system hospitals, delivering executive steering reports.
